DOCKET NO. 2008-308-T - ORDER NO. 2008-658
OCTOBER 2, 2008

IN RE: Application of Minute Man Movers, LLC,)	ORDER APPROVING
10621 Broad River Road, Irmo, South)	RATE INCREASE
Carolina 29063 (District 2) for a Rate)	
Increase)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application, filed August 7, 2008, of Minute Man Movers, LLC (Minute Man or the Company) for an amendment in the Company's schedule of charges, pursuant to 26 S.C. Code Ann. Regs. 103-190, et seq. Minute Man presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina pursuant to the authority granted by Commission Order No. 2004-308, dated June 23, 2004.

Minute Man requests amendments to certain charges in the Company's existing tariff on file with the Commission. The requested tariff revisions by the Company are attached as Appendix A to this order.

Upon receipt of Minute Man's Application, the Commission's Docketing Department instructed the Company to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the Application. The purpose of the Notice of Filing was to inform interested parties of the Application of Minute Man and of the manner and time in which to file the appropriate pleadings for

participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

The South Carolina Office of Regulatory Staff (ORS) completed an audit and impact study of the proposed rate increases of Minute Man. Based on the current tariff and the actual financial results provided by the Company for the year ended December 31, 2007, ORS calculated a coverage ratio of 92.29 percent. Based on the data examined for the twelve months, ORS advises a tariff increase would result in a coverage ratio of 80.89 percent and additional revenue of \$47,434.49 for the twelve months studied.

We have considered the application and, in view of the results of the ORS impact study, we conclude that the increases proposed by Minute Man are just and reasonable. Accordingly, the Application for an increase in rates of Minute Man is approved as filed. The approved rates are hereby attached as Appendix A to this Order.

This Order shall remain in full force and effect until further order of the Commission.
